ALEXANDRIA, VA 22131-1450

Dear Sir:

This filing is responsive to the Final Office action mailed July 16, 2003, which sets a shortened statutory period for response of 3 months. This response is being filed within the 3 month shortened statutory period set for response. This application includes claims 1-21 and 23-87. Claims 1, 30, 48, 66, 81, and 86 have been amended as indicated in the following sheets to more particularly claim the invention and, if necessary, to place the claims in better form for consideration on appeal. Claims 19, 56, 73, and 74 have been amended to correct typographical errors. Support for the

CERTIFICATE OF TRANSMISSION UNDER 37 C.F.R. § 1.8

I hereby certify that this correspondence is being facsimile transmitted to the Patent and Trademark Office on October 14, 2003, at 703-308-4556.

changes are found through out the disclosure. Specifically, the claims have been modified to specify the viscosity of the claimed compositions and to set forth the amount of organic pigment, water and oil present in the composition. Further, where present, the claims have been modified to indicate the amount of inorganic pigment present.
